

## Lab/Pathology Authorization

Your visit today may include labs, cultures and/or skin biopsies. We generally receive results of lab work/cultures in approximately 3-5 days and skin biopsy results in 7-10 days. We will call you with results and any additional information prescribed by your physician. For **BENIGN/NEGATIVE** results on any tests listed above:

\_\_\_\_\_ **YES**, you may leave a detailed message informing me of my results at the following phone number:\_\_\_\_\_.

\_\_\_\_\_ **NO**, please do not leave a detailed message. Please leave call back information only on my voicemail.
