FREE Neck Treatment

with Hydrafacial, IPL and SkinPen Face Treatments

Hydrafacials are designed to deeply cleanse, exfoliate and replenish the skin; **IPL Photofacials** help to fade age spots and other pigmentation irregularities; and **SkinPen** stimulates the production of new collagen and elastin to remodel and smooth the skin.

Offer is exclusive with the Laser Center team.

$500 Off Ultherapy

Face + Neck Treatment

Ultherapy is a non-surgical, FDA-cleared treatment that uses ultrasound to lift, tone, and tighten skin on the face, neck, and décolletage by stimulating collagen production. It is FDA-cleared to address mild to moderate skin laxity - with no social downtime.

Offer is exclusive with the Laser Center team.
